

Edwards: Navasota to receive \$106,737 in Housing and Urban Development Funding from Stimulus

(Washington, D.C.) – United States Representative Chet Edwards announced today that Navasota will receive an additional \$106,737 in funding from the stimulus legislation signed by the President on February 17th. These funds will be distributed to Navasota through Housing and Urban Development formula funding from the Public Housing Capital Fund.

“Providing quality housing and ensuring that those in need have the funds accessible to keep a roof over their heads is important in these trying times,” said Edwards. “These grants will give Navasota the opportunity to modernize public housing and increase low income housing opportunities.”

The \$106,737 from the Public Housing Capital fund will be used for the modernization and development of Low Income Public Housing in Navasota. These grants will provide affordable housing and create economic opportunities for persons of low and moderate income.

“By providing much needed housing funding that allows local housing districts flexibility to meet their highest potential, this stimulus funding can help those most in need as well as continue to develop our economy,” concluded Edwards.

Other stimulus funds recently announced for Grimes County includes \$1,524,080 in education funds for local school districts and \$30,910 through the Justice Assistance Grant (JAG) program to the Grimes County Sheriff’s Department and the City of Navasota Police Department.
